Brought To You In KalingaStone Quartz

A photograph of a quarry with large white marble blocks and a blue pool of water. The blocks are stacked and some are being moved by a crane. The water is a vibrant blue color.

## Impeccable Italian vein designs meet unmatched durability

Mesmerizing authentic Italian vein patterns create the timeless grace of KalingaStone's Calacatta Quartz Collection, a blend of beauty and durability.

Treasured by connoisseurs, the Collection is a showcase of Italian marble's rich heritage and eternal charm featuring all-time favourites - Calacatta, Carrara and Statuario marbles.

A marvellous blend of tradition and innovation, it offers the perfect synergy between elegant Italian craftsmanship and enduring strength of quartz. This sheer magnificence and unmatched strength transforms your interiors into stunning masterpieces that exude elegance forever.

*Mesmerizing Beauty*

Exquisite white that  
ignites your creativity.

We're adding safety, beauty and protection.  
The Kalingastone Quartz collection is a testimony to beauty,  
extraordinary protection and is a certified surface, safe for  
loving meals.

### Food safe

KalingaStone Quartz has been certified by NSF International, a US regulatory body, as a safe and secure surface for food.

### Stain resistant

A low absorption rate, even less than .05%, makes KalingaStone Quartz almost impermeable and hence resistant to stains and easy to maintain.

### Impervious to heat

Remains resistant to heat and cold  $\geq 50^\circ$  making them a perfect choice for your kitchen.

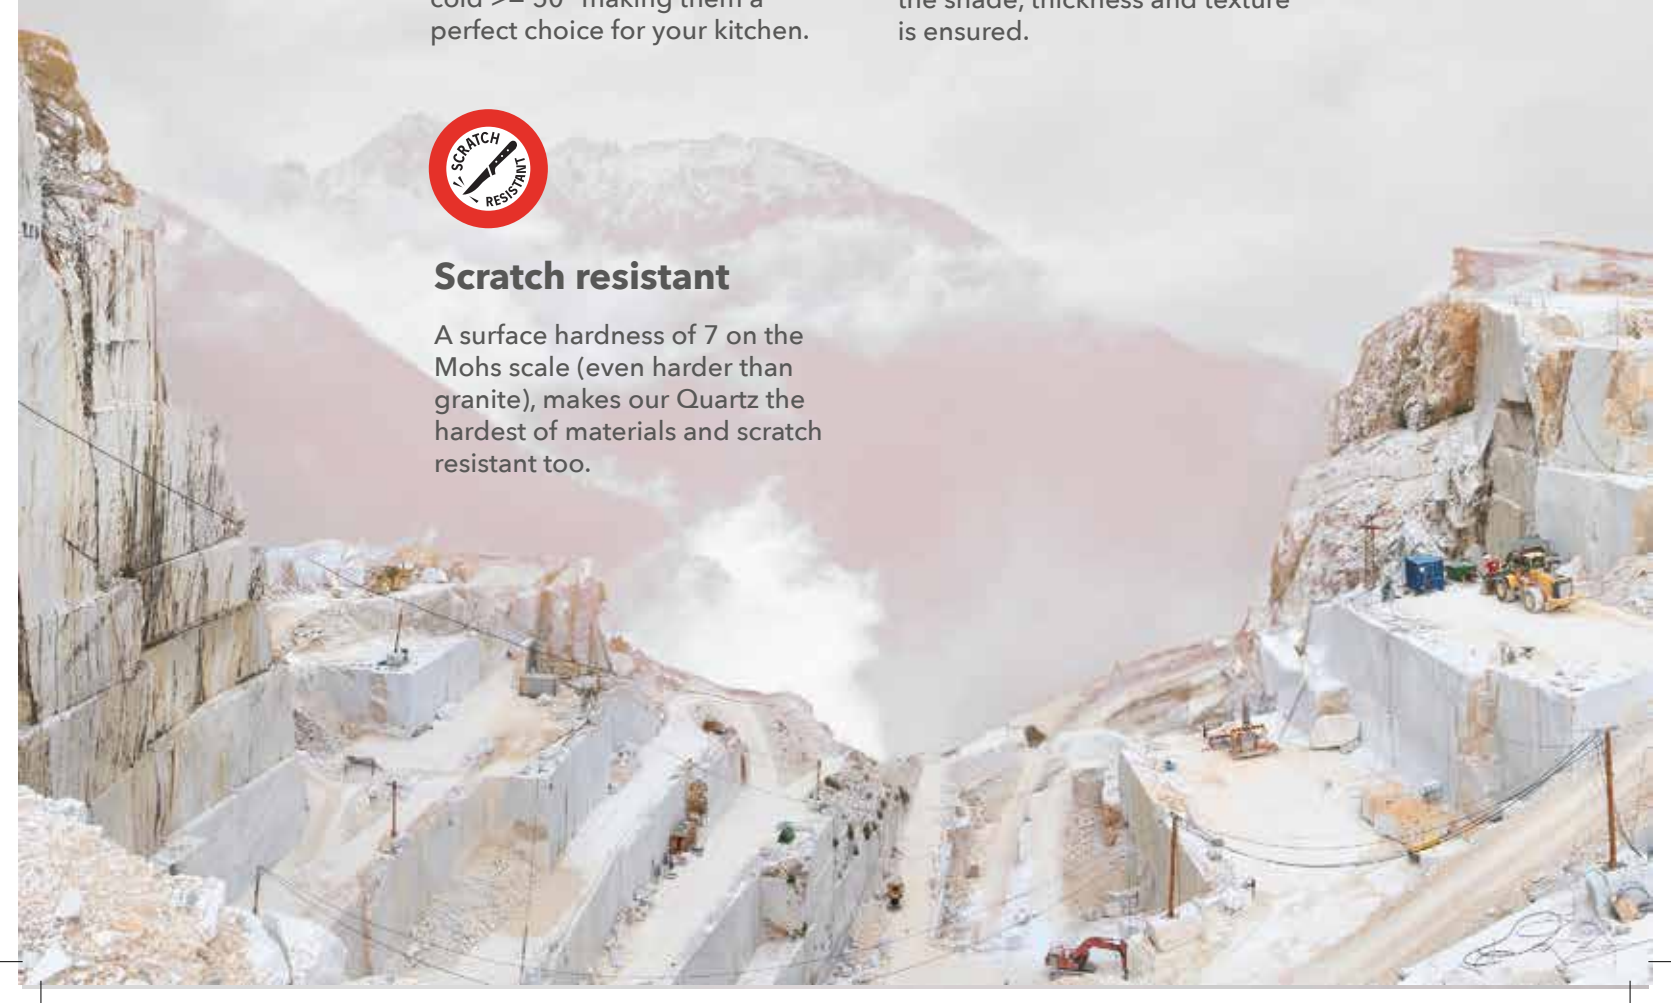

### Homogeneous

A benchmarking consistency in the shade, thickness and texture is ensured.

### Scratch resistant

A surface hardness of 7 on the Mohs scale (even harder than granite), makes our Quartz the hardest of materials and scratch resistant too.

# VERSATILITY OF APPLICATION

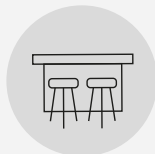

The sophisticated nature of the product makes it suitable for all modern living settings.

*Possibilities*

The artistic brilliance of Kalingastone, an engineered Marble, Quartz and Terrazzo range, has helped bring visions to life across the globe. The design possibilities are limitless with an ethereal collection of over 150 designs and shades. Over the years, the brand has made its global presence prominent in 66 countries through its unmatched quality and its adherence to International standards.

Being awarded the 'Indian Power Brand' in the Marble and Stone category and 'Best Innovative Products' by Indian Institute of Architects, Mumbai in 2010, stands as a testimony to the superior artistry and pedigree of Kalingastone.

*Engineered*  
**BY CUTTING-EDGE  
TECHNOLOGY.**

The newest Kalingastone Quartz line is created using state-of-the-art technology featuring a fully automated production line, starting from feeding the raw material to the stacking of the finished slabs. The production facility, with an installed capacity of 80,000 sq.mt per month is capable of producing Quartz slabs in the 'superjumbo' dimensions of 3300 x 2000mm.
