Explore Over 500+ Possibilities

The artistic brilliance of KalingaStone, an engineered Marble, Quartz and Terrazzo range, has helped bring visions to life across the globe. The design possibilities are limitless with an ethereal collection of over **500+** designs and shades.

As industry leaders, we believe it is our responsibility to inspire innovation and bring the world's finest trends to India. Guided by this vision, in 2009, Mr. Amit Shah pioneered the engineered surface solutions category in India, fueled by the dream to make global excellence accessible to every Indian home.

Today, KalingaStone boasts a robust network of over 200+ trade partners across India and exports to 67 countries worldwide.

Engineered with Cutting-Edge Technology.

From its inception, KalingaStone has produced more than 14 crore sqft. of surfaces, a true testament to the trust and satisfaction of our customers.

With more than 35+ years of industry expertise, we continue to excel in opening and sustaining new markets worldwide, solidifying our reputation as a trusted global leader.
