Explore Over 500+ Possibilities

The artistic brilliance of KalingaStone, an engineered Marble, Quartz and Terrazzo range, has helped bring visions to life across the globe. The design possibilities are limitless with an ethereal collection of over 500+ designs and shades. Over the years, the brand has made its global presence distinguished in 67+ countries through its unmatched quality and its adherence to International standards.

Being awarded the 'Indian Power Brand' in the Marble and Stone category and 'Best Innovative Products' by Indian Institute of Architects, Mumbai in 2010, serves as a testimony to the superior artistry and pedigree of KalingaStone.

Engineered with Cutting-Edge Technology.

The newest KalingaStone Marble line is created using state-of-the-art technology featuring a fully automated production line, right from feeding the raw material to the stacking of the finished slabs. The production facility, with an installed capacity of 150 lac sq.ft per year, is capable of producing Marble slabs in the 'superjumbo' dimensions of 3300 x 2000mm.
